

Asthma Criteria #4

Utilize the online WinningWithAsthma.org program to educate all physical education and extracurricular athletic faculty members.

Definition: The www.WinningWithAsthma.org online educational program was created for PE teachers, coaches and referees to learn more about asthma and what to do during an asthma attack that occurs in an athletic setting. The program runs approximately 25-minutes. Those who complete the program will receive a coach's clipboard with the emergency steps printed on the back, a laminated general emergency protocol and an educational booklet.

Asthma #5 Assignments

School Coordinator Assignments:

- Request Winning With Asthma promotional posters, flyers, and DVD from the UDOH Asthma Program.
- Distribute ¼ page flyers to all faculty members involved in youth athletics (i.e. PE teachers, coaches, referees)
- Promote the WinningWithAsthma.org program at staff meetings
- Track the number of school faculty that complete the program.
